In this present address, with the Present Address please add the class of the teacher he or she is teaching and the class of student he or she is studying. For example: Daga CS, Class x. If there is any dependent like the wife of driver or wife of principal, then please include in the Present address and there dependent name. For example, Daga CS, Wife of Tshering Dorji (Driver)

Here on the left side all the subject information will be given but as of now I have hidden it. Then you just need to fill the form here. After you have finished filling just click on **SAVE** and it will be automatically save in the system.

Please enter the Dzongkhag and Gewog of individual being registered. (The one they have their census)

The screenshot shows a web-based registration form titled "Registration Non CID Holder" within the "Jakar HSS" system. The left sidebar contains navigation options: "Dashboard", "Change Password", "School & Institutions", and "Registrations". The main form area includes the following fields and options:

- Registration Date ***: A date picker showing "2020-08-19".
- Name ***: A text input field.
- C/O CID No./Passport/Work Permit No. ***: A text input field with a red asterisk and a note: "*Please type in a valid Identity/Mobile No.".
- Nationality ***: A dropdown menu with the option "---Select Nationality---".
- Age ***: A text input field.
- Gender ***: Radio buttons for "Male" (selected) and "Female".
- Contact No ***: A text input field.
- Present Address ***: A text input field.
- Dzongkhag ***: A dropdown menu with "SELECT ONE".
- Gewog ***: A dropdown menu with "SELECT ONE".
- Differently Abled ***: Radio buttons for "Yes" and "No" (selected).
- Co-morbidities ***: A grid of checkboxes for "No Co-morbidities", "CVD", "Renal Disease", "Asthma and RD", "Diabetes", "Hypertension", "Autoimmune Disease", "Cancer", and "Others".
- Other [Specify if others]**: A text input field.
- Buttons**: A green "Save" button and a red "Cancel" button.

Fill the form just like above. Same as above under present address, with the present address please add the class. If it is teacher then what class he or she is teaching or if it is student what class he or she is in. After you have finished filling just click on **SAVE** and will automatically save in the system.

If the student don't have their contact number please give the number of Warden of Matron or any Teacher who looks after them.

This manual is made in a short duration for educational purpose. Therefore, if there is any mistake please let us know la. For any enquires please contact Dechen Lhadon, Asst. ICTO, MoH via 17636848.
