2nd August 2025

TRAINING ANNOUNCEMENT

(Short-Term Training in Specialized Cardiac Care Nursing and Cath Lab Nursing)

In accordance with the approval of 22nd HRC meeting held on 30th May 2025 and 23rd HRC meeting held on 13th June 2025 respectively, the National Medical Services is pleased to announce a Short-Term Training in Specialized Cath Lab Nursing and Specialized Cardiac Care Nursing (CCU) for In-service Nurses on Regular Employment from across the healthcare facilities in the country as follows:

Sl. No	Name of the training	No. of slots	Training modality/Duration	Target participants	Source of funding
1	Specialized Cath Lab Nursing	6	3 months of attachment/apprenticeship at JDWNRH, Thimphu and 3 months at Police General Hospital, Bangkok, Thailand (total 6 months)	In-service regular nurses under National Medical Service	CD Account, JDWNRH
2	Specialized Cardiac Care Nursing	11			

Therefore, candidates fulfilling the following eligibility criteria are encouraged to apply:

1. At the time of application, nurses applying from health facilities outside JDWNRH should have completed a minimum of three years in the current place of posting, including probation period, after their initial date of appointment.
2. Nurses applying from JDWNRH should have completed their probation period at the time of application.
3. Should not have any administrative issues pending against the applicants.
