Training Announcement
(Short-Term Training in Specialized Cath Lab Nursing)

In accordance with the approval of the 8th HRC meeting held on 03/11/2025, the National Medical Services would like to announce the Short-Term Training in Specialized Cath Lab Nursing as detailed below:

Sl. No	Name of the training	No. of slots	Training modality/Duration	Target participants	Source of funding
1	Specialized Cath Lab Nursing Training Program	2	3 months of attachment/apprenticeship at JDWNRH, Thimphu and 3 months at Police General Hospital, Bangkok, Thailand (total 6 months)	In-service regular nurses under the National Medical Services	CD account, JDWNRH

Therefore, candidates fulfilling the following eligibility criteria are encouraged to apply:

1. At the time of application, nurses applying from health facilities outside JDWNRH should have completed a minimum of three years in the current place of posting, including probation period, after their initial date of appointment.
2. Nurses applying from JDWNRH should have completed their probation period at the time of application.
3. Should not have any administrative issues pending against the applicants.
4. Should not have any pending audit memos against the applicants.
5. Must not have availed training programs in any other Specialized Nursing Care (e.g., Dialysis, ICU, Perioperative Nursing, CCU, Echocardiography etc.)
