16 September 2026

TRANSFER NOTIFICATION

The Ministry of Health is pleased to notify Traditional Medicine professionals who are interested in transferring to the National Centre for Traditional Medicine Services (NCTMS), Ministry of Health, Thimphu, to submit their applications for transfer.

The NCTMS currently has a requirement for two (2) Drungtshos and three (3) Menpas. Accordingly, this notification is specifically intended for eligible Traditional Medicine professionals who are interested in transferring to NCTMS.

Interested and eligible Traditional Medicine professionals are invited to submit their applications upon obtaining approval and recommendation from the Human Resource Committee (HRC) of their respective working agencies by **30 September 2026** through the following:

1. [Transfer Application link](#)
2. [Transfer Form: To be submitted after seeking Supervisors and HRC's recommendation](#)

Further, the employees falling under the following categories shall not be eligible for transfer:

1. **Section 13.4.14.** of BCSR 2023 "On initial appointment in the Civil Service, a civil servant shall not be eligible for transfer before serving a minimum of three years including probation period. For in-service candidates, the date of appointment in the new position category shall be used for calculating three years."
2. **Section 13.4.13.** of BCSR 2023 "A civil servant due for superannuation within the next one year may not be transferred."

Please note that the MoH shall not entertain any late/new submissions after the above deadline since we will have to tie up the annual transfer exercise with the new recruitment in order to facilitate replacement from the available pool. Further, the employees transferred to NCTMS will not be eligible for professional allowance.

This is issued as per the decision of the 19th Ministerial Human Resource Committee meeting held on 15 September 2026.

Kindly note that applications submitted through other channels will not be considered.
